Moving Forward Together

Hello friends,

Hastings Family Service celebrated 54 years of service to the Hastings area in April, and we have been working this spring on our strategic plan for the next five years. We refreshed our mission which is to engage community to provide help and hope for

neighbors. This helps achieve our vision of a caring and connected community where every person can thrive.

We need each other. Last year, there were over 7 million visits to food shelves in MN and that is up from 5 million the year before. So it makes sense that HFS has more than doubled the number of people being served in our Market food programs. With your help, HFS can keep up with a growing need for services.

HFS is committed to the values listed on page 4; **People Come First** – we respect the dignity of each person and listen without judgement; **Inclusion Matters** – we value diverse perspectives and strive to create a welcoming and safe environment; **Connections Fuel Impact** – we thrive through relationships built on trust, equality and accountability; **Community Drives Purpose** – we believe listening and working together makes all healthier and stronger. Together, we are better; and **Gratitude Guides Us** – we value the time, talent and trust of our community and are good stewards of the resources shared with HFS.

We are grateful each day to be surrounded by and supported by a caring and connected community of neighbors helping neighbors.

The way forward is together!

Making a Difference Together

Pictured: St. Elizabeth Ann Seton students packed food and care items in boxes and loaded the HFS Market on the Move van during Minnesota FoodShare.

\$185,018 + 40,360 POUNDS OF FOOD

A record total of food and funds was raised to fight local hunger during the Minnesota FoodShare March Campaign! A successful Minnesota FoodShare helps to feed hungry kids during the summer. Thank you to the Hastings community, businesses, schools, faith communities, service organizations, and all volunteers, supporters, and donors for partnering with HFS to fight hunger. These gifts will receive a proportionate match, making an even bigger impact in the community.
